

# Reuse and Reenjoy

by Roll'eat<sup>®</sup>

## Boc'n'Roll

### The reusable, adjustable, foldable and washable sandwich wrap.

#### WHAT IS BOC'N'ROLL?

Boc'n'Roll is an ecological and reusable sandwich wrap. It adapts to the different shapes of the sandwich and snacks, and it also serves as an individual placemat. It's perfect to take it to school, to work, for outings or on a trip, reducing the use of throw-away wrappers and saving money. It can be used over and over again and it's machine washable.

#### HOW TO USE IT?

Just place any food right in the centre of the Boc'n'Roll, fold it and close it through an easy fastener, that helps keeping the food in place, avoiding drips.

It can be used as an individual placemat, offering a clean surface to eat.

Very useful and easy to use!

#### BENEFITS

**Eco-friendly:** It is an alternative to throw-away wrappers.

**Reusable:** Designed for hundreds of uses.

**Adaptable:** It can be adjusted to the different sandwich sizes and shapes.

**Hygienic:** It offers a clean surface to eat wherever you are.

**It keeps the food fresh.**

**Very easy to clean:** Just using a humid cloth. It can be machine washed (30° C).

**Very lightweight:** You can put it in your pocket.

**Identifiable:** You can write your name.

**Money saver:** Save on throw-away products.

**Educational:** It helps promoting a more sustainable lifestyle.

## Eat'n'Out Mini

### All-in-one: lunch bag + placemat

#### WHAT IS EAT'N'OUT MINI?

On one hand, it is a bag for lunch boxes and on the other, when it is completely unzipped it becomes a placemat. A perfect food bag for your work time. It is flexible, foldable, lightweight and keeps the temperature. Very easy to use and to clean and with a dirty proof layer.

#### CHARACTERISTICS

The outer layer is made of polyester 100 % in both layers. The inner layer is made of stain and water resistant TPU. Thanks to the intermediate hidden insulating layer the food temperature is kept for hours.

#### DIMENSIONS

Folded size: 13x17x4,5 cm

Unfolded size: 51x46 cm

Capacity: 1,25 L

#### BENEFITS

**Hygienic:** Placemat to eat in a clean surface and do not accumulate dirt

**Very easy to clean:** Thanks to its stain-resistant layer, your bag will be clean. Also, the dirty doesn't stay as there are no seams. You can remove your leftovers with a damp cloth.

**Adjustable:** It is totally flexible and can be adapted to different tupperware sizes.

**Lightweight:** You can handle almost with no effort.

**Maintains temperature:** Thanks to the intermediate hidden insulating layer the food temperature is kept for hours.

**Very easy to use:** Easy to open and close.
